

DIPLOMA FOR LABOUR MIGRATION EXPERTS AND PRACTITIONERS

A STRUCTURED LEARNING PATHWAY FOR STRENGTHENING LABOUR MIGRATION GOVERNANCE

International Labour Organization

Diploma for Labour Migration Experts and Practitioners

ITC International Training Centre

What

The Diploma for Labour Migration Experts and Practitioners is a strategic capacity-building programme that equips you with advanced, practice-oriented competencies to design, manage and evaluate labour migration policies aligned with international labour standards and sustainable development objectives.

Participation in the Diploma connects you to a global community of labour migration practitioners, creating opportunities for sustained exchange, cooperation and policy dialogue beyond the training itself.

Why

For institutions

Builds internal expertise
Supports evidence-based policy design and implementation
Contributes to coherence across labour migration, employment and development policies

For professionals

Recognised ITCILO credential consolidating multiple learning investments
Structured pathway
Exposure to comparative country experiences and peer learning

For systems

Strengthens rights-based, fair and effective labour migration governance
Links labour migration to SDGs, decent work and development outcomes

How

- ✔ Completion of Labour Migration Academy
- ✔ Three eligible Labour Migration courses
- ✔ Capstone project (analytical policy-oriented assignment)
- ✔ Approx. 300 learning hours in total
- ✔ Completion within 5 years

Who

Is this right for you?
